| \$25,000,000 to \$99,999,999 | \$ 6,750 |
| Over \$100,000,000 | \$ 8,500 |

Master Member (MM): Larger organizations who manage corporately, by franchise or through banner programs, multiple shops with bays. MMs are responsible for inputting shop accreditation information into the MAPC database. Dues are based on sales plus per bay assessment on accredited bays.

Examples of Master Member: Active Green + Ross, CARQUEST, Certigard, NAPA, Uni-Sélect.

Facility (MM-F): Shops affiliated with a MM may apply for accreditation through their MM and pay an annual fee for \$260. They save the cost of basic membership. All accreditation materials are distributed through the MM to the accredited facility.

Basic Member (BM): Independent shops owners or those who choose to participate without the support of a Master Member. Pricing: \$500.

For those who wish to accredit multiple shops will pay \$260 for each additional location.

Regular Member (RM): Automotive Manufacturer/Supplier/Distributor/Wholesale/Retailer/Dealer without Service Bays

Dues amount based on Annual Automotive Sales Volume
